PRIZIM Inc. announces new Principal Edgar Deskins

Mr. Edgar Deskins has joined PRIZIM Inc. (PRIZIM) as a Principal and Program Manager leading a new engagement for one of PRIZIM's major federal clients. Edgar comes to PRIZIM with over 20 years of experience that includes directing the development and implementation of an environmental management system for the Missile Defense Agency. Throughout his career, Edgar has led environmental and infrastructure projects, developed standard operating procedures and guidance manuals, and conducted internal assessments for complex facilities in both the public and private sectors. He also possesses technical scientific knowledge gained through his previous work as laboratory researcher and analyst.

Edgar holds a Bachelor of Biology from James Madison University and several relevant credentials, including ISO 14001 Lead Auditor.

"We are pleased to have Edgar on board to help our clients increase their environmental and sustainable performance," says PRIZIM Director of Professional Services, Rob Kravitz. "We look forward to building a core team of experts to support him in making a positive impact for our clients and for PRIZIM."
