in support of the U.S. Marine Corps Reserve Toys for Tots Program. Over 30 toys were collected throughout the month at PRIZIM's Gaithersburg, MD Headquarters and Boulder, CO office. Donations were also brought by clients, friends, and business acquaintances to the company's holiday gathering on December 11. The Toys for Tots Program mission is to collect new, unwrapped toys during the months of October, November, and December to distribute as Christmas gifts to local children in need.

PRIZIM Headquarters Toys for Tots organizer, Brooke Quinn was pleased with PRIZIM's participation. "Christmas is a special holiday for those who celebrate it, especially children. We at PRIZIM are happy to support the Marine Corps Reserve and their Toys for Tots Program, which is a great holiday tradition," said Quinn. Anna Fargo collected toys from the Boulder Office. "I have participated in Toys for Tots with other organizations, and as a new PRIZIMite, I was excited to see how enthusiastically PRIZIM supported the Program. I hope the children receiving the gifts will have as much fun as we had buying them!"

PRIZIM President, Frank Priznar thanks all who participated in helping to make this Christmas a special one for local Gaithersburg and Boulder children.
